F. Be the first in your neighborhood to own this unique knife. Hollow-ground stainless steel locking blades with etched Copperhead symbol. Black Pakkawood handle with nickel-silver bolster. Leather sheath included. Just 68 points.

E. Star of the Copperhead Collection is this sharp-looking deluxe belt buckle. The snake's head is copper plating on an oval of heavy German silver (2¼″ x 3″). You'll want one of these; for 68 points you've got one coming.

Here's how to order:

First check the points required for the item(s) you want in section "A." Then look to section "B" to see how many points you get with each Copperhead purchase. When you buy any Copperhead product, be sure to clip and save the lined "Bar Code" area or the proof-of-purchase seal from the package. When you've saved enough points, send the "Bar Codes" or proofs of purchase with section "C" filled out, telling us what you want. Allow 3 to 5 weeks for delivery.

Now when you buy packs of Crosman Copperhead® BBs, .177- or .22-cal. pellets, or CO_2 Powerlets,® you'll pile up points good for the super Copperhead Collectibles shown inside.

The most economical ways to buy Copperhead BBs are in our bulk-pack "milk cartons." Engineered to be the world's roundest BBs, they're available in 1500-, 2500- and 5000-count packs.

For Copperhead reliability in CO_2 power, pick up several boxes of clean-piercing, non-leaking, rust-resistant CO_2 Powerlets. Packed 5 to the box.

Copperhead pellet Belt-Paks™ clip easily to your belt. Their hinged lid and latch make loading a snap. Choose a 250-count pack of .177-cal. pellets or a 175-count pack of .22 pellets.

Plastic-bag convenience with resealable Zip-Loc® tops—that's the Copperhead Pocket-Pak advantage. Choice of 200, 400 or 1000 BBs per bag.

Shooting Education Programs

1 Million New Shooters A Year

For more than a third of a century, Daisy shooting education programs, through the cooperation of local clubs and civic organizations, have been introducing youngsters to the lifetime sport of recreational air gun shooting. Today, more than a million young shooters are involved in more than 23,000 Daisy sponsored programs held each year by schools, Scouting organizations, Boys' Clubs, YMCA's, Jaycee chapters, and other groups. Begun in 1948, the Daisy programs teach youngsters the basics of proper gun handling, marksmanship and outdoor citizenship.

With the U.S. Jaycees, Daisy also sponsors the annual International B•B Gun Championships which are the culmination of the shooting education programs for eight to 15-year-old boys and girls. The 17th annual Championships, which included both a written examination and marksmanship, attracted more than 300 finalists on championship teams from 43 states, Canada, Mexico, Great Britain and West Germany.

The Daisy Shooting Education Program, which includes both basic and advanced courses, is sanctioned by the NRA and endorsed by the Outdoor Education and Camping Council of the American Alliance of Health, Physical Education, Recreation and Dance. For more information on how you can become involved in the Daisy Shooting Education Program, contact your local Jaycees or write Daisy, P. O. Box 220, Rogers AR 72756.

NATIONAL SAFETY COUNCIL HONORS DAISY/JAYCEE SHOOTING EDUCATION PROGRAM

Recently the U.S. Jaycees were presented the National Safety Council's Youth Safety Award in recognition of their achievements in the promotion of youth safety through the Daisy/U.S. Jaycees Shooting Education Program. The award cited the program's outstanding safety record and its contribution to safety through the training of millions of the nation's youth in proper gun handling and outdoor citizenship.
